

THE CASTIGLION DEL BOSCO WINE EXPERIENCE

We are very pleased to welcome our guests to Castiglion del Bosco's winery, one of Tuscany's most noteworthy estates and a leading producer of Brunello di Montalcino.

Castiglion del Bosco was one of the founding producers of the *Consorzio del vino Brunello di Montalcino*, established in 1967. The winery is renowned not only for its history, but also for its extent: 62 hectares (153 acres) of vineyards of which 51 hectares (126 acres) allowed to grown Sangiovese for Brunello, placing Castiglion del Bosco as the fifth largest Brunello estate out of 230.

We would be proud to introduce you to our wine culture through an exclusive selection of private tour and tastings guided by our experienced staff.

Our private guided tour and tastings will be arranged by reservation only and they are the perfect choice for guests who are seeking an unique and exclusive wine experience in Tuscany.
