

CHAKRA WELL BEING

Ila's exquisite Chakra Wellbeing range is tailored to each recipient. Based around seven blends of chakra-balancing essential oils, each bespoke treatment involves deep relaxation of the nervous system, sensuous lymphatic drainage, subtle healing of the chakras and the pouring of warm oil over the third eye (Shirodhara) to restore and relax every sense.

A personal questionnaire determines which chakra(s) is/are out of balance, and therefore which oil blends are to be used. Each treatment also includes a body scrub or bath treatment – where a specific chakra blend is mixed with Ila's argan and rosehip seed carrier oil – hand, foot and head therapies (to open up the energy fields), an Ananda Facial, Shirodhara and Ila's exclusive chakra-healing music.
